SENATOR BARNETT: The statewide committee is the one that came to Lincoln about two weeks ago and asked me to do this. The statewide committee headed up by their President, Jim Clinkenbeard, a man by the name of Jim Barrett and there was two other fellows, as I told you earlier, and I think they are from South Sioux City and that area, up in that direction, and they come from more than just South Sioux City.

SENATOR GEORGE: Thank you. I just want to reemphasize what Senator Kennedy just said. We have a rather precarious balance. We have finally found the agreement of everybody for this bill and I, before I could possibly vote for Senator Barnett's amendment, I would have to check back with several of those volunteer rescue squads and see what they thing about it. Thank you.

PRESIDENT: Senator Barnett, is there a need for close. The question is, the adoption of Senator Barnett's amendment. Record your vote. Have you voted? Record.

CLERK: 10 ayes, 13 nays.

PRESIDENT: Motion fails. Senator Luedtke, would you care to advance this bill? Senator Stull, we need a motion to advance the bill, Senator.

SENATOR STULL: Mr. President, I move that 418 be advanced to E & R engrossing final.

PRESIDENT: Discussion of the motion. The question is, shall 418 be advanced. All those in favor say aye. Contrary nay. The ayes have it. The bill is advanced.

CLERK: Mr. President, LB 466. The E & R amendments were adopted last week. The bill was laid over. There is presently pending an amendment by Senator Goodrich.

PRESIDENT: Would the Sergeant at Arms find Senator Glenn Goodrich of Omaha? Senator Barnett.

SENATOR BARNETT: Mr. President, I...

PRESIDENT: Do you know where he is?

SENATOR BARNETT: I don't have anything to do with him. I have a question. While we are waiting to find him, I'd like to know if I can unbracket LB 23 today and get it taken care of and on its way.

PRESIDENT: Lets lay over 466 right now. That will solve one problem. Is there any objection? Seeing none, the Chair orders that 466 be temporarily laid over. Senator Barnett, I think we had better work our agenda and then see where we are. We are now ready for 198 on Select File.

CLERK: The E & R amendments to LB 198 have been adopted. There is a long series of amendments to it. The first one is offered by Senator Cavanaugh. Whoops! That one was adopted. That's the one on Page 1216. There was another one offered by Senator Cavanaugh on 1221. That's also been adopted. There is now an amendment offered by Senator Duis, Mr. President.
